## **Winter is Coming: Top 10 Rental Buildings with the Best Indoor Amenities**

Cold weather has officially swept over NYC and if you're lucky enough to live in one of the below newly-built rental buildings, you basically don't ever have to venture outside. From indoor dog parks to heated pools, these new developments have it all.

### **LEVEL, 2 North 6th Place**

**[9 Available Listings From \\$2,400/Month](#)**

*Indoor/Outdoor Pool with skyline views. Photos via MNS Marketing*

*Lounge with billiards table*

*Children's Playroom (Coming in 2018)*

Next up is LEVEL, a brand new rental tower that boasts seriously spectacular views of the East River, Manhattan skyline, and Brooklyn. It contains condo-like apartment finishes and amenities that can be accessed year-round, including an indoor pool with a skylight, whirlpool, and steam room, a 24-hour fitness center featuring technogym cardio and weights, a yoga room with virtual on-demand fitness classes, a club lounge with game tables and a demonstration kitchen, and finally, a party room with a kitchen. A true community, member events and activities will be coordinated weekly by LivUnLtd Concierge Service. Other perks include valet services and a gorgeous furnished lobby with a fireplace and 24-hour concierge.
